### **AGREEMENT (Read page 2 prior to signing)**

I understand that if Top-Gun Enterprises, Inc is not contracted to disassemble the firearm, that non-metallic parts supplied may be destroyed and the processor will not be held responsible. If the firearm is not completely disassembled, additional disassembly fees may be required. It is also understood that any additional work authorized by the customer will be in addition to the process fees specified above. In compliance with Federal Regulations, I authorize Top-Gun Enterprises Inc. to return the subject firearm or part to the address above.
